PARTICULARS OF PROPOSED DEVELOPMENT AND REPRESENTATIONS

[To be completed by the applicant]

Application is being made

- (a) for consent under section 36 of the Electricity Act 1989 for the construction of a generating station;
- (b) for a direction under section 90(2) of the Town and Country Planning Act 1990 that planning permission for the proposed development deemed to be granted;

1. Particulars of proposed development. (These particulars should be accompanied by such plans as may be necessary to enable the local planning authority to identify the land affected by the proposals and to appreciate the nature and extent of the proposed development and by a copy of the environmental statement if the applicant has prepared one).

An offshore wind farm, known as Lincs offshore wind farm located approximately 8km east of Skegness, Lincolnshire with a maximum total electrical capacity of up to 250 MW. The wind farm will comprise up to 83 wind turbine generators, the associated inter-connecting cable array, up to 2 offshore electricity substations, up to 2 under sea export cables and up to 2 undergrounded onshore circuits. Electricity generated at the site will be transmitted from the offshore substation[s] via cables which will land to the east of the River Nene. These cables will join 11km of underground onshore cables to a new extension of an existing substation at Walpole. Electricity will then be carried to the grid via the existing transmission lines.

2. Particulars of any representations or objections which have been made to the applicant.

None.

3. Particulars of the applicant's compliance with his duty under paragraph 1 of Schedule 9 to the Electricity Act 1989
