Dear Mr Gedney

Henry Smith's Charity - Sutton Bridge Estate
Proposed Residential Development - Holding 19C, Bridge Road

Thank you for your letter of the 1oth April together with a plan showing the adjoining bungalow (H18/0607/99).

I have double checked the boundaries and it appears that you may be correct that the south-easterly corner of the site encroaches onto the adjoining site. However we appear to have no dimensioned plans showing the exact position of the boundary.

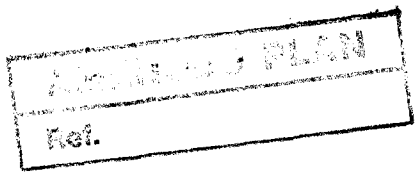

I have however amended the enclosed plans so that the site does not encroach, however I would at this stage wish to protect our clients position and state that the actual ownership boundary may be as shown on the original plans.

With regards to access to the adjoining boundary, my understanding is that they have benefit from a right of way over our clients land adjoining the boundary, and I have included on the revised plan the access to the bungalow as shown on their drawing which you kindly enclosed.

I hope you now have sufficient information to proceed further with the application.

Your sincerely

Simon Kenny
