## Description of Existing Use, Building Works or Activity

Please fully describe each existing use, building works or activity for which you want the lawful development certificate. Where appropriate, show to which part of the land each use, building works or activity relates

This is a application for a Lawful Development Certificate, seeking the removal of an agricultural occupancy condition attached to New House Nursery, Hospital Drove, Long Sutton, Spalding, PE12 9EN. The dwelling achieved Outline Planning Permission through application H18/1886/88 and following this Full Planning Permission through application H18/0910/89. The initial Outline Planning Approval and subsequent Full Planning approval have an agricultural occupancy condition attached. Please see Planning Statement.

## Grounds for application for a Lawful Development Certificate

Under what grounds is the certificate being sought

- ☐ The use began more than 10 years before the date of this application
- ☒ The use, building works or activity in breach of condition began more than 10 years before the date of this application
- ☐ The use began within the last 10 years, as a result of a change of use not requiring planning permission, and there has not been a change of use requiring planning permission in the last 10 years
- ☐ The building works (for instance, building or engineering works) were substantially completed more than four years before the date of this application.
- ☐ The use as a single dwelling house began more than four years before the date of this application
- ☐ Other - please specify (this might include claims that the change of use or building work was not development, or that it benefited from planning permission granted under the Act or by the General Permitted Development Order).

Please state why a Lawful Development Certificate should be granted

Please note approval H18/0910/89 is no longer available on the South Holland District Council planning site and therefore I am unable to confirm the condition number and approval date. Please see Planning Statement. The applicants have continually breached the agricultural occupancy condition for a period long enough to render the condition void and unable to be enforced.

Details of the pre-application advice received

I had written to the council surrounding condition 5 of H18/1886/88 and application H18/0700/01 to ask whether the condition was no longer applicable. Though the Planning Officer was unable to provide a formal confirmation he confirmed it appeared the property no longer has an agricultural habitation clause attached. The applicants have since spoken to someone else in the council who advised otherwise. Therefore we are submitting this application to receive a formal confirmation.

## Interest in the Land

Please state the applicant's interest in the land

- ☒ Owner
- ☐ Lessee
- ☐ Occupier
- ☐ Other

## Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

☐ Yes

☒ No
