TOWN AND COUNTRY PLANNING ACT 1990
SECTION 73 MODIFICATION

Reference: H18-0240-25 **Date of Decision:** 7th May 2025

Applicant: API Ltd
29 Westlode Street
Spalding
Lincolnshire
PE11 2AF

Location: Bridge Hotel 4 Bridge Road Sutton Bridge Spalding

Description: Change of use from hotel Class C1 to residential Class C3 including the creating of 15 residential units - Approved under H18-0463-24. Remove Condition 5 to allow basement level to be used as habitable accommodation

South Holland District Council hereby give notice that this application has been REFUSED for the above proposal for the following reason(s):

1 The application site, which is located within flood zone 3 in accordance with Environment Agency Maps for flooding, has a future hazard classification within the South East Lincolnshire SFRA of 'Danger to All' and could experience flood depths of up to 1.6 metres arising from a breach in the defenses during a flood that has a 0.1% chance of occurring in any one year up to 2115.

The proposal for habitable residential accommodation in the basement of this building, is not safe for its lifetime when taking account of the vulnerability of its users. Furthermore the development would not provide wider sustainability benefits to the community that would outweigh the risk from flooding. The proposal is considered to be contrary to policy 4 of the South East Lincolnshire Local Plan as well as section 14 of the National Planning Policy Framework (December 2024), especially paragraph 178.

Notes:

The determined plans are:

723-01 Location Plan & Site Plan
Covering Letter
Supporting Information - Agent Response to Environment Agency Consultation Response

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise. However, the issues are so fundamental to the proposal, due to the harm which has been clearly identified within the reason(s) for the refusal, that approval has not been possible.

This decision notice, the relevant accompanying report and the determined plans can be viewed online at http://planning.sholland.gov.uk/OcellaWeb/planningSearch

RIGHTS OF APPEAL

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications

https://www.gov.uk/appeal-householder-planning-decision

https://www.gov.uk/appeal-planning-decision

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planning inspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**.

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in

giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under the order.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
