Observations of District Planning Authority

Reference:	H18-0300-24	**Date of Decision:**	23rd April 2024
Applicant:	Lincolnshire County Council County Offices Newland Lincoln LN1 1YL		
Location:	Westmere County Primary School Anne Road Sutton Bridge Spalding		
Description:	Erection of mobile classroom to provide additional accommodation for under 2's at Sunbeams Playgroup for a period of 5 years - approved under H18-0401-19 - Modification of Condition 2 to allow an extension of time		

South Holland District Council has considered the proposal and has no objections, subject to any recommended conditions set out below:

1 The structure/building hereby permitted shall be removed from the site at or before 5 years of the date of this permission and the site restored to its former condition before that date.

Reason: The structure/building is of a temporary design and materials of construction and is only permitted to provide short term accommodation to serve the needs of the Westmere County Primary School. The retention of the structure/building beyond this date would be harmful to the visual amenity and character of the locality by virtue of its temporary nature and the potential for its fabric to become dilapidated.
This Condition is imposed in accordance with Policies 2 and 3 of the South East Lincolnshire Local Plan, 2019.

2 The development hereby permitted shall be carried out in accordance with the measures set out in the Flood Risk Assessment by Mouchel Business Services (Report No: 4203-SPSB-01-FRA), dated March 2014 forming part of the planning application ref. H18-0280-14, unless otherwise agreed in writing by the Local Planning Authority.

Reason: To ensure that the development does not increase the risk of flooding or be at risk of flooding.
This Condition is imposed in accordance with Policies 3 and 4 of the South East Lincolnshire Local Plan, 2019 and national guidance contained in Section 14 of the National Planning Policy Framework, December 2023.

3 The development hereby permitted shall be carried out in accordance with the following approved plans:

A.01 Rev A

Flood Risk Assessment by Mouchel Business Services (Report No: 4203-SPSB-01-FRA), dated March 2014
