This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited to the amount of information considered and does not purport to contain a full specification of the works, it is solely for the purpose of obtaining Planning / Building Regulations approval. This drawing must not be used for the purpose of construction unless it is stamped as approved by the Local Authority and is to be read in conjunction with any documents forming part of the approval together with such other drawings and documents as may be issued for the purpose. The Contractor is to be responsible for the correct execution of the works, fabrication of materials, components & assemblies to ensure compliance with the requirements of the Building Regulations. All materials to be new unless otherwise stated and all components and materials are to be used fixed and installed etc. in strict accordance with manufacturers instructions and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European code established. The Employer / Client shall ensure that the appointed contractor is conversant with and accepts all necessary responsibility to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the planning and details. Work that may not specifically be shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included. It is the plot / land owners responsibility to be aware of the Party Wall etc. Act 1996 when building in close proximity to adjoining neighbour boundaries.
