

66 Bridge Road, Sutton Bridge

Supplementary Statement

This statement is in support of a listed building application for approval of a replacement door and windows to the basement storey of 66 Bridge Road, Sutton Bridge.

66 Bridge Road is a mid-terraced Georgian townhouse, which has been given Grade II listed status (64-68 Bridge Road, entry number 1359246). The house is split over four storeys, including a basement floor which is a full basement to the front and half basement to the rear.

Proposed works:

The rear entrance door and windows to the entrance storey are modern replacements in poor condition. The kitchen window (W1) is double glazed and the door (D1) and dining room windows (W2 & W3) are single glazed. We are proposing to replace these with new painted timber double glazed joinery.
