DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be reused, copied, plagiarised or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are considered upon typical site conditions and may be discovered during construction unless reported to the Architect so that changes in the design can be accepted for the benefit of the project. No responsibility can be accepted for abnormal amount of information contained and does not purport to contain a full specification of the work & is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document. Any works not be supervised or inspected on site by G.R. Merchant or any representative thereof, & the client or their appointed agents responsible to control working methods, subcontractors or materials, dimensions to specification, variations to contract as to be used for the purpose intended. It is the clients responsibility to appoint a competent person to undertake the CDM Regulations and to ensure all necessary surveys, site conditions investigations and checks are carried out before any works commence on site. Any discrepancies to be reported to the Architect so that corrective measures can be implemented. Do not scale from this drawing. Figured dimensions only to be taken. Any dimensions relating to existing buildings are taken from measurements and are approximate only. Contractors must verify all dimensions on site before any work is put in hand or any materials or components are ordered. All materials and workmanship to be in accordance with the current British Standard Specifications and Codes of Practice, and to the satisfaction of the Local Authority Building Control Officer. Any discrepancies found between the drawings and the specification are to be reported to the Architect before any work is put in hand. Any variations from the approved drawings must be agreed with the Local Authority Building Control Officer before any work is put in hand. Any discrepancies found between the drawings and the specification are to be reported to the Architect before any work is put in hand. Any variations from the approved drawings must be agreed with the Local Authority Building Control Officer before any work is put in hand.
