A detailed Emergency Flood Response Plan was submitted as part of the planning application. That plan was agreed with the Environment Agency prior to the grant of planning permission and associated Flood Defence Works Permit by the Environment Agency. That document contains detail procedures for the notification of flood risk events to site and the proactive and reactive measures that would be implemented in such an event. With the benefit of those measures it is considered that flood risk during the works can be mitigated and reduced to an acceptable level. That previously submitted (and agreed) document is resubmitted now in response to this condition.
In addition the relevant extract from the site HSE manual relating to flood evacuation procedures is provided.
