Application H18-0441-26
Location Sutton Bridge Memorial Park Sutton Bridge Spalding PE12 9SD
Proposal Details of surface water drainage strategy (Condition 6 of H18-1242-25)

Name Diane Fairchild
Address Conservation Assistant (Tree Preservation) Planning & Development

Date Submitted 23-06-26
For/Against Comments

Very briefly: (If possible full discussions will be had with the Planning Officer dealing with the Application.) There should be no excavations in the Root Protection Area of the oak tree, adjacent to the existing car park which is subject of a Tree Preservation Order.

If it is planned to have some soakaway system in the vicinity of the tree roots, the advice from a qualified arboriculturalist should be sought to ensure that such is not detrimental to the tree.
