

# PLANNING AMENDMENT

|                                                                                                                                                       |                                                                                                                             |
|-------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| <b>APPLICANT NAME AND ADDRESS</b><br>Walpole Green Ltd.<br>c/o Enso Energy Ltd.<br>The Priory<br>Long Street<br>Dursley<br>GL11 4HR<br><br>Telephone: | <b>AGENT NAME AND ADDRESS</b><br>Enso Energy Ltd.<br>The Priory<br>Long Street<br>Dursley<br><br>GL11 4HR<br><br>Telephone: |
| <b>SITE ADDRESS DETAILS</b><br>Gunthorpe Road Solar Farm,<br>Land South of Gunthorpe Road,<br>Walpole Marsh,<br>Wisbech                               |                                                                                                                             |
| <b>CURRENT APPLICATION NO:</b><br>This amendment cannot be considered unless the relevant reference is stated.                                        | H18-0741-21                                                                                                                 |
| Building Regulation reference relating to same development (if applicable)                                                                            |                                                                                                                             |

I attach the necessary plans and request that the changes described below can be accepted as an amendment. As the amendment relates to a current application, I agree to an extension of the terminal date (if applicable)

Signed

Date: 12/11/2021

|                                                                                                                                                                                          |                                                                                                                       |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------|
| <b>FULL DESCRIPTION OF DEVELOPMENT OF CURRENT APPLICATION THAT THIS AMENDMENT RELATES TO</b>                                                                                             | Installation of a solar farm and battery storage facility with associated infrastructure                              |
| State details of amendments proposed. (Give a full detailed list of the changes, and also mark these clearly on the accompanying plans. Only the changes listed here will be considered) | Submission of revised Biodiversity Net Gain Assessment.                                                               |
| Drawing numbers of the current submission to be superseded by revised plans                                                                                                              | Biodiversity Net Gain Assessment, prepared by Delta Simons, dated November 2021 (to replace version dated June 2021). |
| Has this amendment been requested by the Council? (If so, state Officer dealing with the application)                                                                                    |                                                                                                                       |
| Describe any part of the original development which is excluded by virtue of the amendment, and state any alteration to plot numbers                                                     |                                                                                                                       |
| Has a similar amendment been submitted under Building Regulations? (If so, state Building Control Surveyor dealing with application)                                                     |                                                                                                                       |
