District: South Holland District Council

Application number: H18-0897-26

Application Type: Condition approval

Proposal: Details of certification and completion by Local Planning Authority relating to carriageway widening and improved access construction at junction of Gunthorpe Road & East Bank and 6 passing places/road widening along East Bank (Condition 3 of H18-0922-25)

Location: Land between East Bank/Gunthorpe Road and Gunthorpe Solar Farm, Walpole Bank, Walpole Marsh

Response Date: 6 October 2026

Response by: Dean Whitehead

This report includes the Substantive response of the Local Highway and Lead Local Flood Authority to a planning consultation received under the Development Management Order and includes details of any planning conditions or informatives that should be attached in the event that permission is granted and any obligations to be secured by way of a S106 agreement.

General Information and Advice

Please note that although the Definitive Map and Statement proves the existence of any recorded rights of way, there may be further or higher rights that are not shown on this document that the County Council is not currently aware of. This would be especially relevant where the public has had informal access to the site or where there are references to routes across this in maps or other historic documents. As the County Council has received no application to recognise further rights of way affecting the site, no more informed guidance can be offered at this stage.

Highway and Lead Local Flood Authority Report

Substantive Response provided in accordance with article 22(5) of The Town and Country Planning (Development Management Procedure) (England) Order 2015:

Recommendation: No objection

Comments:

The Details of certification and completion by Local Planning Authority relating to carriageway widening and improved access construction at junction of Gunthorpe Road & East Bank and 6 passing places/road widening along East Bank (Condition 3 of H18-0922-25) are acceptable in accordance with the submitted correspondence with Lincolnshire County Council.

No Objections

Having given due regard to the appropriate local and national planning policy guidance (in particular the National Planning Policy Framework), Lincolnshire County Council (as Highway Authority and Lead Local Flood Authority) has concluded that the proposed development would not be expected to have an unacceptable impact upon highway safety or a severe residual cumulative impact upon the local highway network or increase surface water flood risk and therefore does not wish to object to this planning application.
