Scales
AS INDICATED.

DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be shared, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All areas shown on the Drawing including foundations are based upon typical site conditions related to the area, no responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Size and surveys are recommended in respect of four metres to establish specific site conditions before foundations work is undertaken. This drawing is limited to the scope of information supplied and any Planning / Building Regulation approvals. The Contractor is to check all dimensions relative to this and any Planning / Building Regulation approval. This drawing must not be used as a contract document some. This work is not to be supervised or inspected on site by G R Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specification, variations to contract etc.

All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or BSA certificate or European code equivalent. The Employer / Client shall ensure that the selected contractor is experienced with and adopts all measures necessary to achieve compliance with Health and Safety legislation for building sites and work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Ammendment Planning Supervisor will be required. The works shall commence at a time as shown on the drawing [illegible] and be necessary to [illegible]
