Dear Tracey

**Re Insertion of Double Sash Window on Ground Floor to North West
 Elevation, Curlew Lodge, Guys Head Road, Sutton Bridge. H18 -
 0942 - 10**

Further to recent communications regarding the above windows and your letter dated 17th November, please find enclosed for your file drawings B2395/5C and 10 D amended to reflect the simplified window as discussed.

Whilst supplying these drawings I would point out the addition of 3 no. tie iron pattresses to the north west elevation. The project Structural Engineer has suggested a need for them following a revision in the internal layout of the converted barn and we would wish these to be part of your consideration in your deliberation regarding the above Listed Building Application.

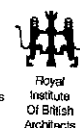

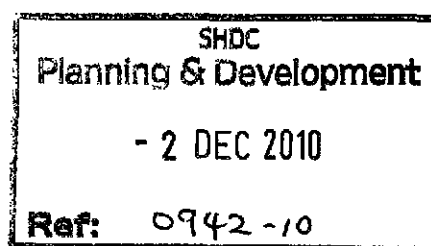

Should you require any further information please do not hesitate to contact me.

Yours faithfully,

Gerry Robbs J.P, Dip Arch, R.I.B.A
