PROPOSED REPLACEMENT DWELLING REAR OF 210 NEW ROAD SUTTON BRIDGE LINCS for S E KING

DO NOT SCALE FROM THIS DRAWING
This drawing is the property of the author and must not be copied or used in any manner whatsoever without the written permission of the author. The drawing is prepared for the purpose of obtaining planning permission and building regulation approval and may not be suitable for any other purpose. The drawing is prepared in the interests of clarity and brevity and may not show all the detail necessary for the construction process. All dimensions to be checked on site before any work is put in hand or any materials ordered. Any discrepancies are to be reported to the author before any work is put in hand. Figured dimensions are to be taken in preference to scaled. Any work carried out before relevant approvals are obtained is entirely at the risk of the client or contractor. The author is not responsible for any errors or omissions in the information supplied by others which is incorporated in the drawing. The drawing is to be read in conjunction with all relevant specifications and structural engineer's details. Any proposals to alter the design during construction must be notified to the author before any work is put in hand. Contractors are responsible for ensuring that all setting out is correct. The author is not responsible for any errors or omissions arising from incorrect setting out. The copyright of this drawing and design remains with the author. Dimensions are in millimetres unless noted otherwise. Fig dimensions are to be taken in preference to scaled. Any discrepancies are to be reported to the author before any work is put in hand.
