RE: PROPOSED CONVERSION & EXTENSION OF OUTBUILDING TO DOG KENNELS AT

8-9 GRANGE FARM, HOSPITAL ROAD, WINGLAND, SUTTON BRIDGE

1) Number of Dogs: - 17-20 Dogs

We are looking to install a total of 17 kennels which will allow us a minimum of 17 dogs. We would also anticipate that some families would have multiple dogs within their household and would prefer their dogs to be kept together within the same kennel. We have allowed for this by providing some larger kennels to accommodate either multiple dogs or one larger breed of dog.

2) Frequency of use: -

We will be offering the facilities for day-care or boarding to our customers, this will allow short term stay, daytime only (day-care) which for example will provide care for dogs whilst their owners are out at work. This is usually daytime only Monday-Friday.

OR

Boarding which will provide longer term stays for example Overnight stays to enable care for dogs whilst their owners are on holiday which could be anything from long a weekend to a number of weeks.

3) Dates and times of openings

We will be open daily Monday-Sunday. Drop off and collection times will be between the hours of:

7am -9am and 4pm -7pm Monday to Friday

8am-10am and 4pm-6pm Saturday and Sunday

4) Number of visitors to the site daily: -

10-20 Visitors

This may vary depending on the number of day-care customers which will be daily drop off and pick ups either end of the day and the number of boarding customers which will be more on a weekly or every couple of weeks drop off and pickups.

5) Number of staff: 4

1 x Owner/Manager
