Further to our telephone conversation today, please find attached a copy of our revised plans for Nene Pharmacy.

As you can see, we have changed the Staff Room to the rear from a conservatory to a traditional masonry extension with a continuation of the flat roof over.

To the front, we had implemented a masonry parapet to soften and conceal the flat roof area of the proposal. In addition we have amended the front section to solely feature a roof projection ofver the bay window and not as a canopy across the entire frontage. Again this will hopefully lessen the impact of the ront projection.

Hopefully this information is adequate to be accepted as an amendment to the current application however, should you require any further information or clarification, please do not hesitate to contact me.

Regards

James
