Dear Mr Gedney,

Further to your e-mail of the 18th and our brief telephone conversation regarding the above please find attached copies of our drawings 2/474/2D and 3B which have been adjusted to show the windows to the front elevation correctly and as proposed.

We would be very grateful if you would substitute these drawings for those that you already hold and trust that with this information you will be able to continue your consideration of the Application. However, should you require any additional information or have any queries then please do not hesitate to contact us.

Regards,

Daniel Wallage
