RE : THE OLD METHODIST CHURCH AND SUNDAY SCHOOL ROOMS.

Planning was granted for the use of the site for residential development following the demolition of the Church and School Room. Planning application Reference H18/0444/98.

The application we are putting forward allows the existing buildings to be used which is an advantage to the environment.

The application gives full use of the existing buildings, without changes to the exterior of the buildings apart from the velox Roof Lights. These will not be seen from the Bridge Street side of the building and will not overlook any properties at the side that faces on to Allenbys Close.

The application to include the Old School Room as a Studio annex to the main building also mean that there will be no changes to the Old School Room which faces Allenbys Close. The proposal will give an advantage to someone with elderly parents or teenagers who would like to be with their family, but this project will allow independence. As the site has had permission granted for site redevelopment this application to include the School Room as an annex should not be one that is unacceptable to the Council.

With regards to parking, this will be by the existing double access gates from Allenbys Close.

The two buildings will be enclosed by a 3ft high wall, which will enclose the whole site from Bridge Street around to Allenby Close.
