DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The Client or Contractor is to check all dimensions on site and report any discrepancies to the Architect before proceeding with the work. Foundations are based upon typical site conditions noted to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited to the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document some. The works will not be supervised or inspected on site by G R Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specification, variations to contract etc.

All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials etc. to conform to appropriate British standard specification or BBA certificate or European equivalent. The Employer/ Client shall ensure that the selected contractor is conversant with and adopts all the necessary procedures to achieve compliance with Health and Safety legislation for Building Work and Work classes. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations a Principle an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that is not specifically shown but may be reasonably inferred as necessary to enable the works shall be deemed to be included.
