Description: Proposed extension of a generating station (from 700MWe to 790MWe)
Location : Sutton Bridge Spalding Lincs

South Holland District Council has considered the proposal and has NO OBJECTIONS to the development, subject to any comments set out below:

1 The imposition of any conditions deemed appropriate by the Secretary of State in addition to those originally imposed; and

2 The satisfactory conclusion of Planning and other Obligations in relation to the issues outlined in the report, as amended to incorporate the following matters as mentioned in the discussions at the meeting -
   i) the revised details concerning the sewerage connection so that it has an excess capacity equal to the capacity required for the equivalent of a population of 2000 people plus 700 cubic metres per day for 20 acres of food processing facilities over and above the ongoing operational requirements of the proposed power station;
   ii) the amendment of the 6 year periods mentioned in Appendix B during which certain benefits can only be activated to read 10 years; and
   iii) the provision of off-site landscaping.
