Dear Sir/Madam

TOWN AND COUNTRY PLANNING ACT 1990
NOTICE OF ACCEPTANCE OF AMENDMENT

The amended details submitted in respect of the above proposal have now been considered, and I am able to inform you that the changes are able to be incorporated into application, which will now be considered only in its amended form. You are reminded that revision may also be needed to any submission made under the Building Regulations.

In view of the need to repeat certain procedures as a result of the amendment, the terminal date for the Authority to determine the application will now be extended to 10-JUN-97, based on the date of receipt of the amendment, and your rights of appeal remain as explained on the original acknowledgement. It will not necessarily take that length of time to reach a decision of course.

If you do not agree to this extension of time and wish instead to have your application dealt with more quickly but on the basis of the original submission, please let me know in writing within the next 5 days.

Yours faithfully

Director of Housing and Planning Services
