Application H18-1221-25
Location Kerry Foods Ltd Chalk Lane Sutton Bridge PE12 9YF
Proposal Replacement of Existing Flat Roof with Mono-Pitch Roof with Associated Rainwater Goods

Name Greg Watkinson
Address Conservation Officer

Date Submitted 22-12-25
For/Against Comments

No objections.

Whilst the site is within a degree of proximity to the Grade II* listed cross keys bridge, the scale of the separation distances involved, coupled with the relatively minor scale of the increase in height of this portion of the proposal site - which would still be lower than large portions of the extant building - lead me to conclude that the proposal would have no material effect upon the appreciation of any nearby heritage asset.
