Dear Sir

TURNERS TURKEYS LIMITED
LANDSCAPE CONDITION COMPLIANCE AT TURKEY FARMS, SUTTON ST EDMUNDS AND GEDNEY HILL.

Please find enclosed our compliances as described above for your kind attention.

From the plans you will see that the landscaping proposed is all part of more extensive planting for the sites.

As far as the Gedney Hill farm is concerned, apart from the hedging screen now proposed around the small car park, all the planting took place last season and is therefore one year into establishment: no doubt your site inspection will have revealed this.

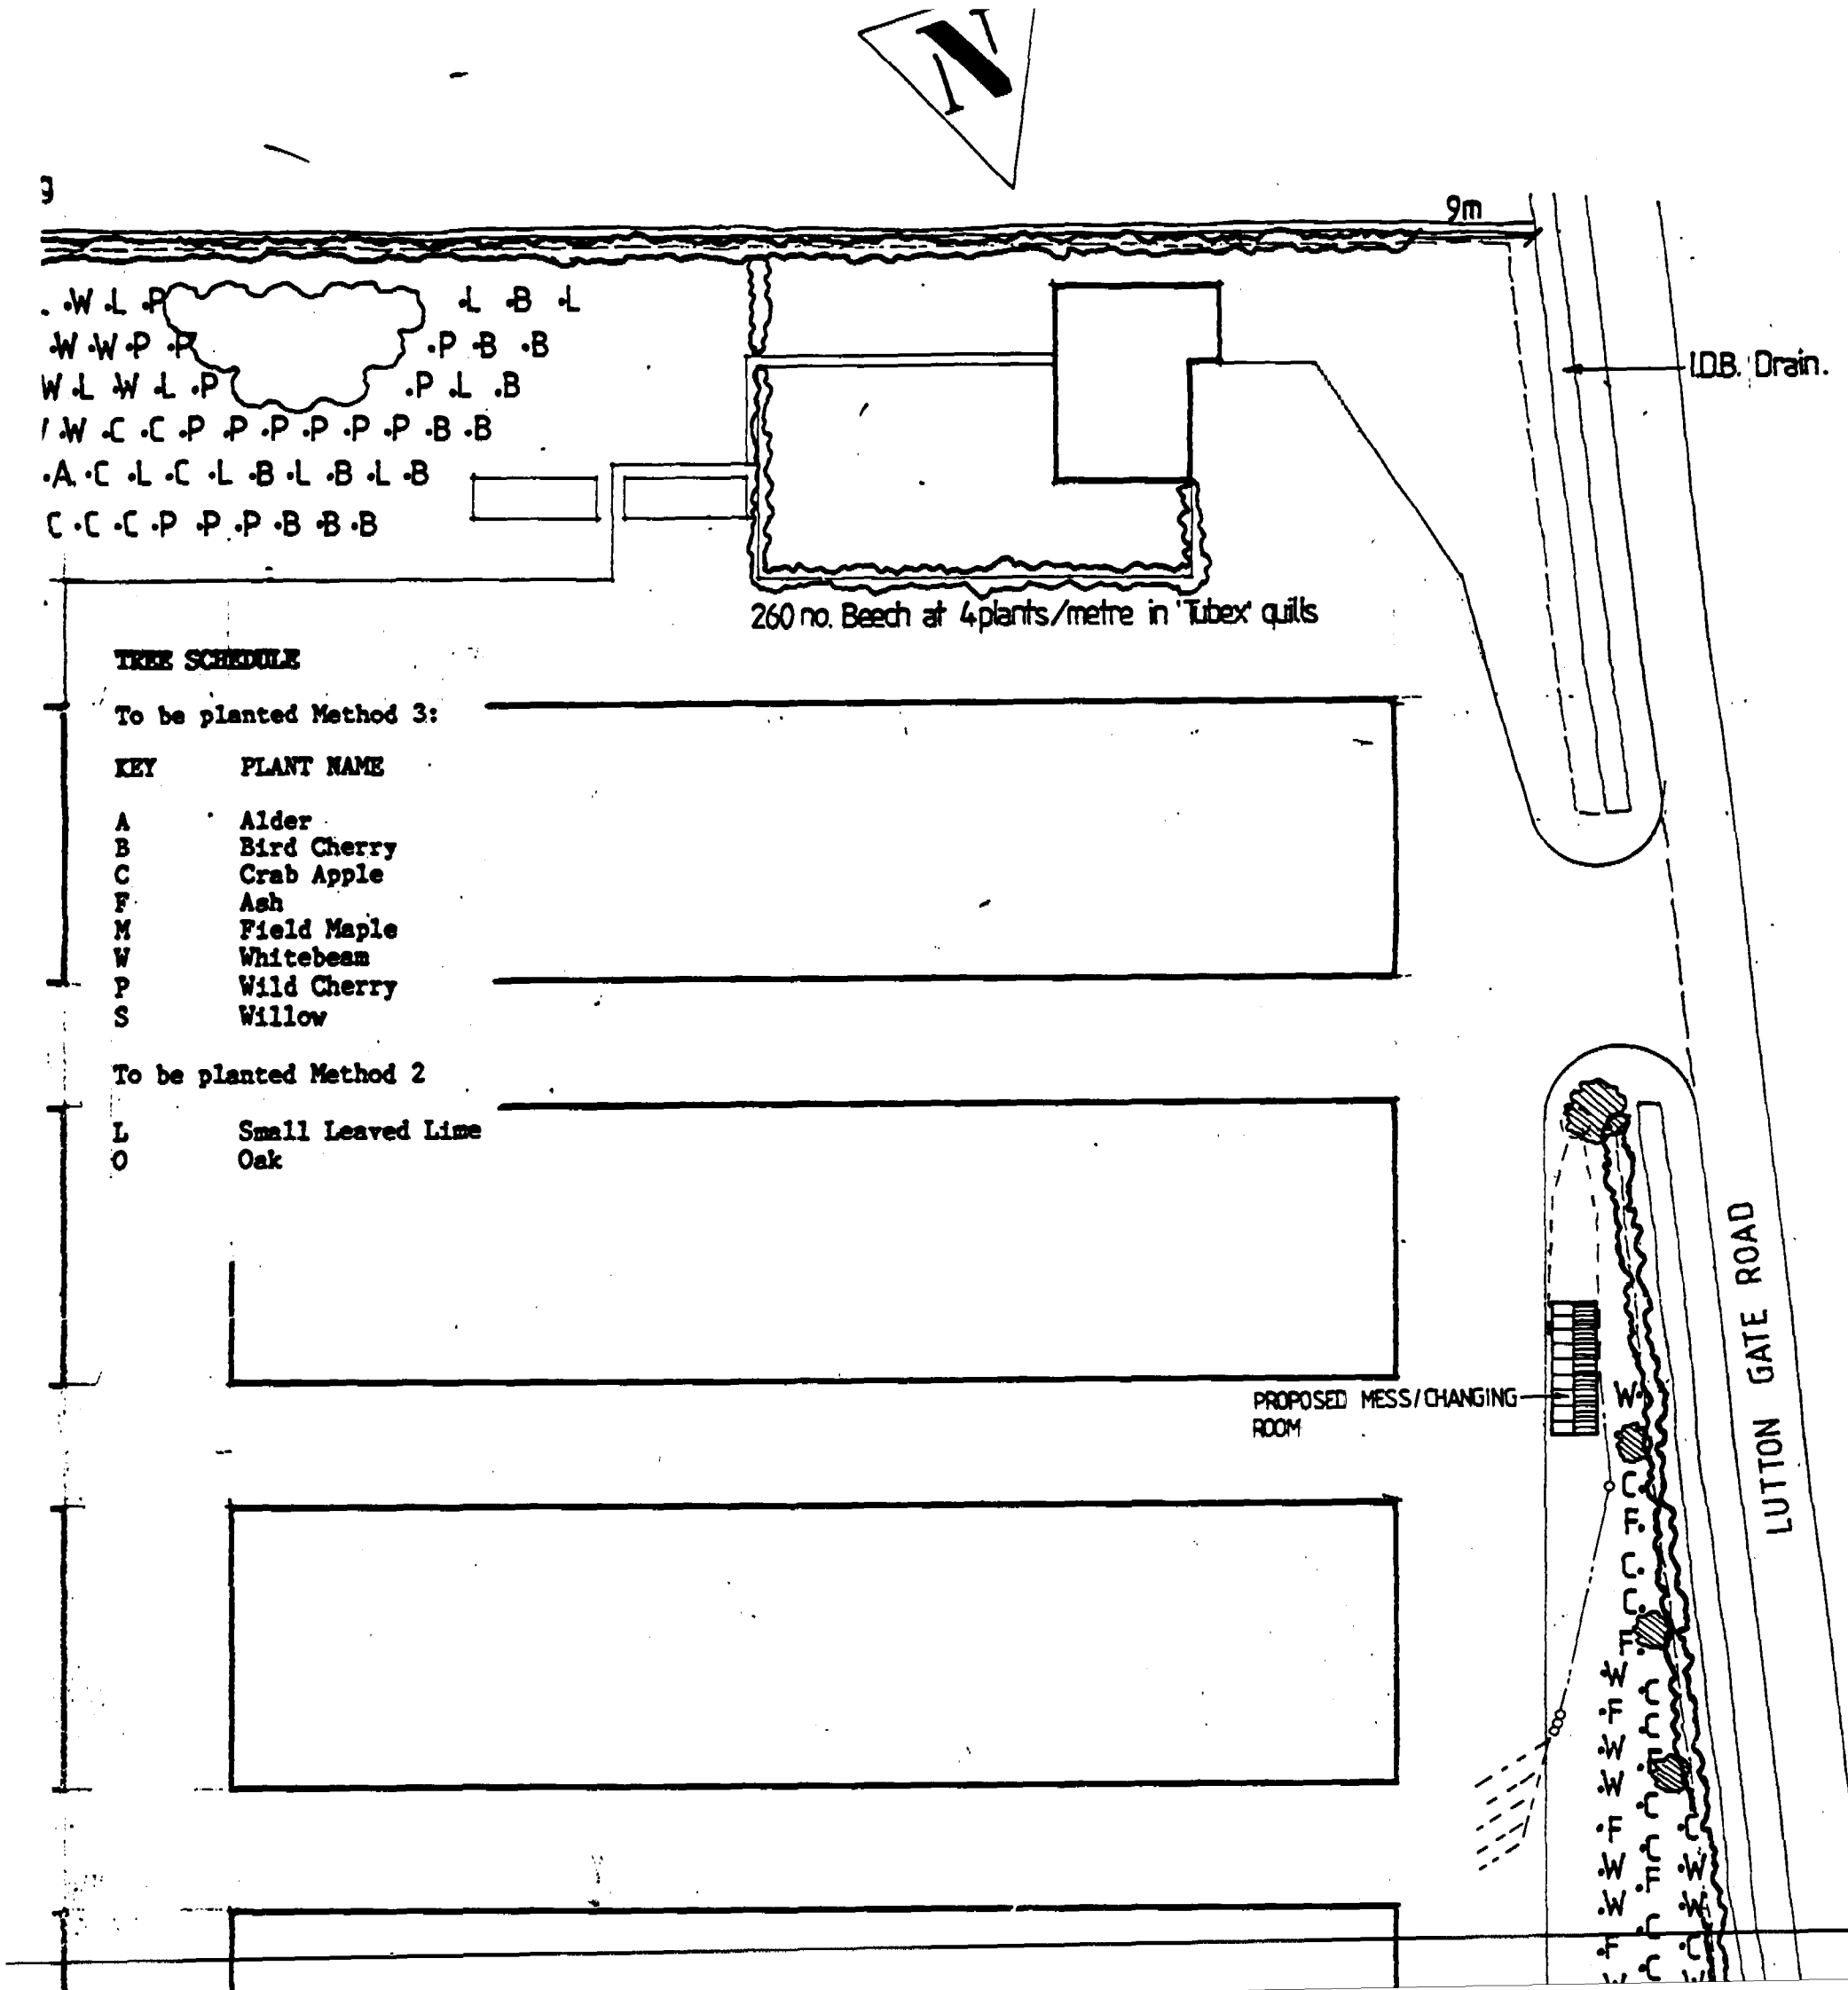

The Sutton St. Edmunds site is being planted up in full within the next month and the plan submitted is an extract from the whole farm plan. We trust this extract will suffice for the purposes of the Condition Compliance, but for interest and completeness of your files, we are enclosing two copies of each of the whole farm planting plans.

We trust there will be no problems with these schemes, but if you have queries please don't hesitate to be in touch. We look forward to your early approvals, for as we have the landscape contractor working in the vicinity it would be convenient to put him onto these schemes immediately.

Yours faithfully

Robert Doughty
