Dear Sirs,

Subject : Planning Application H19/0179/92
Your Ref : KW/JK/E19/2574/93

We enclose in quadruple a Planning Application for a modification to the existing planning permission.

The variation we require is deletion of reference to Hawthorn & Whitebeam regarding the type of hedge & trees at the front of the bungalow.

We are more than happy to keep a hedge & trees, 3 in number, as indicated on the plan but would like some discretion as to what types.

We would point out that

(a) The hawthorn does not appear to grow very well & is liable to disease and

(b) The whitebeam grows to a height of 50 ft which is within 30 feet of the bungalow & a lot less distance from power lines running through the village.

With regard to the fee we feel that this could be waived as the modification appears to be so minor.

Yours faithfully

S. L. J. Matthewman

23 December 1993

Dear Mr and Mrs Matthewman

Landscaping, 243 Broadgate, Sutton St Edmund

In an attempt to cut through the procedures which seem to have exaggerated the problem out of all proportion, we are proposing to deal with the different planting as an amendment to the original planning permission. In other words, the changes to the landscaping, in the context of the whole development, are considered to be insignificant and a formal application not therefore necessary.

I will treat your application as a submission of a proposed amendment and would just ask for the details of species to be supplied as requested in my colleague's letter of 21 December. You will then receive a letter confirming its acceptance as an amendment.

I will arrange for a refund of the fee paid, and apologise for any inconvenience caused.

I should add that we will of course make a final inspection after May next year, when the landscaping scheme is required to be completed.

If there is any outstanding planting which is the responsibility of the developers you may wish to remind Kings Quality Homes of that obligation.

Yours sincerely

Dear Mr & Mrs Matthewman

Planning Application H19/1112/93 - Retention of Dwelling Without Complying With Landscaping Maintenance Condition (Condition 2 of H19/0179/92), 243 Broadgate, Sutton St Edmund.

I refer to the above application where it is proposed to replace the hawthorn hedging and also the trees with alternative species.

In respect of the hedging, it is noted that it has been replaced by privet along the frontage. Could you please confirm (or otherwise) therefore that this will be the same along the side boundary.

Referring to the trees, it is considered that they should be replaced by species which are also indigenous. Examples which are suitable for small residential gardens include Silver Birch, Field Maple, Mountain Ash and Aspen and I would be pleased if you could provide details indicating what each replacement tree will be.

I look forward to your response in respect of the above as soon as possible, so that I am in a position to proceed with the application.

Yours sincerely
