Proposed amendments to approved plans

New reference nos

2050 P1A Proposed elevation

2050 P2A Proposed floor plans

2050 P4A Proposed location and block plans

Reason for Amendment

The applicant wishes to make the following amendments:

The main building floor plan extended by 1 metre to the east and by 1.5 metres to the south

The main body of the building changed to a cream smooth rendered finish

Terracing indicated to comply with the floor risk assessment

The overall design and location of the building remains the same.
