Gedney Hill Spalding

South Holland District Council hereby give notice that OUTLINE PLANNING PERMISSION HAS BEEN GRANTED for the development in accordance with the application submitted, subject to the following:

1 Application for approval of reserved matters must be made not later than three years beginning with the date of this permission, and the development must be begun not later than whichever is the later of the following dates:
(a) the expiration of five years from the date of this permission,
(b) the expiration of two years from the final approval of reserved matters or in the case of approval on different dates, the final approval of the last such matter to be approved.

Reason: As required by Section 92 of the Town and Country Planning Act 1990.

2 The following matters are reserved for subsequent written approval by the Local Planning Authority, and no development to which they relate shall be carried out until these matters have been approved, viz:
(1) Detailed drawings to a scale of not less than 1/100 showing the siting, design and external appearance of the buildings, including particulars of the materials to be used for external walls and roofs;
(2) The siting and design of any vehicular access to a road;
(3) Landscaping of the site, including details of positions, heights on planting and species of trees and shrubs.

Reason: The application was submitted in outline only.

3 The approved scheme of landscaping and/or screening shall be carried out in its entirety within a

period of two years beginning with the date on which development of the land is commenced. The trees, shrubs or bushes shall be adequately maintained by the owner(s) of the land on which they are situated for a period of ten years beginning with the date of completion of the scheme, and all losses shall be made good during that period.

Reason: In the interests of visual amenity and to ensure that the approved scheme is implemented satisfactorily.

4 Before the new dwelling is commenced the existing bungalow shall be demolished and associated rubble cleared from the site.

Reason: To ensure a satisfactory development, in the interests of the visual amenities of the locality.

5 Before the access is commenced to be used, provision shall be made within the site to the satisfaction of the Local Planning Authority for a motor vehicle to turn to enable it to enter and leave the highway in forward gear.

Reason: To enable vehicles to enter and leave the highway in forward gear in the interests of road safety.

6 Development shall not begin until the results of percolation tests (under BS:6297:1983) have been submitted to and approved in writing by the Local Planning Authority to demonstrate that the ground conditions, together with the land area, are suitable to accommodate septic tank drainage. In the event that this cannot be proven a package treatment plant shall be installed in accordance with details to be submitted to and approved in writing by the Local Planning Authority. The dwelling hereby approved shall not be occupied until the drainage works have been completed in accordance with the approved details.

Reason: To ensure the provision of satisfactory foul drainage.

The determined plans are:-
Dwg.no. SH/69001 received 13 March 2001.

The permitted development will require the provision of a new vehicular access crossing. Applicants are requested to contact the Local Highway Authority's Divisional Office at Pode Hole - (Tel: 01775 769091) prior to the commencement of any works within the public highway.

South Holland District Council hereby give notice that permission has been granted (or equiv) on the following condition(s):

1 Application for approval of reserved matters must be made not later than three years beginning with the date of this permission, and the development must be begun not later than whichever is the later of the following dates:
(a) the expiration of five years from the date of this permission,
(b) the expiration of two years from the final approval of reserved matters or in the case of approval on different dates, the final approval of the last such matter to be approved.

Reason: As required by Section 92 of the Town and Country Planning Act 1990.

2 The following matters are reserved for subsequent written approval by the Local Planning Authority, and no development to which they relate shall be carried out until these matters have been approved, viz:
(1) Detailed drawings to a scale of not less than 1/100 showing the siting, design and external appearance of the buildings, including particulars of the materials to be used for external walls and roofs;
(2) The siting and design of any vehicular access to a road;
(3) Landscaping of the site, including details of positions, heights on planting and species of trees and shrubs.

Reason: The application was submitted in outline only.

3 The approved scheme of landscaping and/or screening shall be carried out in its entirety within a

period of two years beginning with the date on which development of the land is commenced. The trees, shrubs or bushes shall be adequately maintained by the owner(s) of the land on which they are situated for a period of ten years beginning with the date of completion of the scheme, and all losses shall be made good during that period.

Reason: In the interests of visual amenity and to ensure that the approved scheme is implemented satisfactorily.

4 Before the new dwelling is commenced the existing bungalow shall be demolished and associated rubble cleared from the site.

Reason: To ensure a satisfactory development, in the interests of the visual amenities of the locality.

5 Before the access is commenced to be used, provision shall be made within the site to the satisfaction of the Local Planning Authority for a motor vehicle to turn to enable it to enter and leave the highway in forward gear.

Reason: To enable vehicles to enter and leave the highway in forward gear in the interests of road safety.

6 Development shall not begin until the results of percolation tests (under BS:6297:1983) have been submitted to and approved in writing by the Local Planning Authority to demonstrate that the ground conditions, together with the land area, are suitable to accommodate septic tank drainage. In the event that this cannot be proven a package treatment plant shall be installed in accordance with details to be submitted to and approved in writing by the Local Planning Authority. The dwelling hereby approved shall not be occupied until the drainage works have been completed in accordance with the approved details.

Reason: To ensure the provision of satisfactory foul drainage.

The determined plans are:-
Dwg.no. SH/69001 received 13 March 2001.

The permitted development will require the provision of a new vehicular access crossing. Applicants are requested to contact the Local Highway Authority's Divisional Office at Pode Hole - (Tel: 01775 769091) prior to the commencement of any works within the public highway.
