Dear Hannah,

With regard to 293 Broadgate, Sutton St Edmund (planning Ref H19-1028-13)

Further on site investigations have been carried out this morning in the presence of representatives from the North Level District Internal Drainage Board to ascertain whether a surface water pipe is present adjacent to the above property.

I can confirm that no pipe was found although it would appear that many years ago the ditch was filled with rubble. I therefore confirm that my Board withdraws its objection to the proposals.

Regards,

Paul
