Hi Mark,

I just wanted to confirm that LWT have no comments to make regarding this application. As a Trust, we are concerned about the cumulative impact of all the solar developments in Lincolnshire – especially on ground nesting birds. Should the applicant want to discuss this in any way, please do pass on my contact details.

Kind regards,

**Hannah Curtis** (she/her)

Afternoon Mark,

I hope you are well. I am just looking at planning application H19-0329-24 for a solar farm, and can't find any ecological surveys. A BNG metric has been uploaded, so I can only assume that surveys exist somewhere.. Could they be sent to me please?

Thank you for your help, kind regards
