Our ref: F/YR24/4014/LACON
Your ref: H19-0329-24

Dear Mark,

Consultation from South Holland - Temporary ground mounted solar photovoltaic (PV) farm with battery storage, substation and associated works at Land East of Guanockgate Road Sutton St Edmund Spalding- Pathfinder Clean Energy

Thank you for your consultation letter, in reference to the above, received on 17th April 2024.

Fenland District Council are currently considering planning application F/YR24/0457/F for 'Installation of 49.9MW ground mounted solar photovoltaic panels with associated battery storage, substation and ancillary plant and infrastructure, and erection of 2.0m high (max height) security fencing and 3.0m high pole mounted CCTV cameras'.

Planning application F/YR24/0457/F is a cross-boundary application relating to the development proposed by planning application H19-0329-24.

As Fenland District Council are currently considering the planning application and a full assessment of that application has not yet been completed, it would not be appropriate to comment on planning application H19-0329-24 at this time.

Yours sincerely,

Richard Fitzjohn
Interim Senior Development Officer
