TOWN AND COUNTRY PLANNING ACT 1990

FULL

Reference: H19-0367-17 **Date of Decision:** 20th June 2017

Applicant: T Gilbey and J Waite
47 Cross Road
Sutton St Edmund
Spalding
Lincs

Location: Guanockgate Road Sutton St Edmund Spalding

Description: Proposed residential log cabin

South Holland District Council hereby give notice that this application has been REFUSED for the above proposal for the following reason(s):

1 From the submitted business plans, the proposed enterprise would be unable to sustain the cost of any dwelling either temporary or permanent, and the Local Planning Authority therefore consider the applicant has failed to satisfactorily demonstrate that there is an essential need for a rural workers dwelling in this countryside location. Although now cancelled following publication of the National Planning Policy Framework, 2012, previous guidance set out at Annexe A to PPS7 - Sustainable Development in Rural Areas remains relevant, being a long established and accepted series of tests against which proposals for new rural workers dwellings may be assessed, and has been taken into account here. Having considered all the submitted information, the Local Planning Authority concludes that there is no essential need for a rural workers dwelling in this location. The proposal is therefore contrary to national guidance set out in Paragraph 55 of the National Planning Policy Framework, 2012, and to Policy HS7 of the South Holland Local Plan, 2006.

Furthermore, the proposal site is not closely related to an established settlement limit, where services and facilities are located. As a consequence, future occupiers would be likely to have a high dependence on the use of motor vehicles to access local services

which, no matter the distance of travel involved, would be contrary to one of the core planning principles to make the fullest use of public transport. Moreover, the reliance on the motor car would increase carbon emissions, contrary to the requirements of the environmental role of planning.

Consequently, the site is not considered to be a suitable site for housing with particular regards to the principles of sustainable development and the protection of the character of the open countryside. It is therefore contrary to Policies SG1, SG2 and SG4 of the South Holland Local Plan and Paragraphs 14, 17, 49 and 55 of the National Planning Policy Framework, 2012. Paragraphs 14, 17 and 49 indicate that new housing should be in a sustainable location and contribute towards protecting and enhancing the environment. Paragraph 55 stresses that local planning authorities should avoid new homes in the countryside, unless there are special circumstances.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise. However, the issues are so fundamental to the proposal, due to the harm which has been clearly identified within the reason(s) for the refusal, that approval has not been possible.

This decision notice, the relevant accompanying report and the determined plans can be viewed online at http://planning.sholland.gov.uk/OcellaWeb/planningSearch

The determined plans are: Business Plan (Dated 12 June 2017), Design & Access Statement (Ref 2994-16), 3994-16-01 & Flood Risk Assessment (Prepared by Geoff Beel Consultancy - May 2017).

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

All appeals must be made using an Appeal Form which you can get from The Planning Inspectorate at Temple Quay House, 2 The Square, Bristol, BS1 6PN (tel: 0303 444 5000) or you can submit your appeal online at:

http://www.planningportal.gov.uk/planning/appeals/online/makeanappeal

The Secretary of State can allow a longer period for giving notice of an appeal but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the

provisions of the development order and to any directions given under the order. In practice the Secretary of State does not refuse to consider appeals solely because the Local Planning Authroity based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
