Description: Proposed agricultural bungalow

Gedney Hill

South Holland District Council hereby give notice that PERMISSION HAS BEEN REFUSED for the development for the following reason(s):

1 The site is outside the confines of a settlement in an area of open countryside where it is the policy of the Local Planning Authority to permit new development only in exceptional cases where it is satisfied that there is a special need, particularly in connection with agriculture. In the opinion of the Local Planning Authority the circumstances of this case are not sufficient to justify permission, which would be contrary to Policy H3 of the adopted South Holland District Local Plan and Policy 13 of the Lincolnshire Structure Plan Review. These policies are in accordance with national planning policies set out in Planning Policy Guidance Note No. 7, 1997 (The Countryside: Environmental Quality and Economic and Social Development), and are aimed at the conservation of agricultural land, the preservation of the character of the countryside, and the economic provision of services. In the opinion of the Local Planning Authority the granting of permission for the development as proposed would be harmful to the purposes of these policies because, as well as its individual effect on these issues, it would form a precedent for further similar proposals which would be difficult to resist.

The determined plans are:
