For attention Tracey Meachen

Dear Sirs,

Extensions and Alterations to the Old Station House, French Drove, Gedney Hill,
Planning App H19-0552-10

Following our recent exchange of e-mails and telephone conversation I would confirm that we have now discussed the issue with our client, who has instructed us to amend the scheme on the lines discussed with you. We have therefore prepared revised drawings 4596/(P)_01_A and /(P)_02_A which have the revised and reduced two story extension at the South East end of the building. The proposals shown also omit the proposed pool enclosure and the associated works to the single storey elements at the North West end of the structure, which were felt to be out of character with the structure.

Enclosed drawings 4596/

(P)_01	Proposed Site Plans and Elevations
(P)_02	Proposed Floor Plans

Would you please substitute the above drawings for those included with the original submission. Please note that the originally submitted drawing no 4576/(P)_03 no longer forms part of the proposals and should be omitted from the application details.

Yours faithfully,

Robin Briscoe Dip Arch RIBA
