Description: Change of use of agricultural building into dwelling

Location : Hollard's Farm Hall Gate Road
Sutton St Edmund Spalding Lincolnshire

South Holland District Council give notice that PRIOR APPROVAL IS GRANTED as, notwithstanding the objection(s) received, it is not considered that the effect of the development on the amenity of adjoining properties is unacceptable.

- 1 The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans:
Site Location Plan (1:1250) and Flood Map for Planning.

Reason: For the avoidance of doubt and in the interests of proper planning.

- 3 No development shall take place without the prior written approval of the Local Planning Authority of all details relating to:
i) the building operations necessary to convert the building; and
ii) design and external appearance.

Reason: The application submitted only sought to establish the principle of the development as per the provisions of Class Q(a). The above details are required to enable the Local Planning Authority to assess the proposal against the provisions of Class Q(b).

This Condition is imposed in accordance with Class Q of the Town and Country Planning (General Permitted Development) Order (2015).

- 4 Before the commencement of the development hereby permitted, the approval of the Local Planning Authority is required to a scheme of landscaping and tree planting for the site indicating, inter alia, the number, species, heights on planting and positions of all the trees, together with details of post-planting maintenance. Such scheme as is approved by the Local Planning Authority shall be carried out in its entirety within a period of twelve months beginning with the date on which development is commenced. All trees, shrubs and bushes shall be maintained by the owner or owners of the land on which they are situated for the period of five years beginning with the date of completion of the scheme and during that period all losses shall be made good as and when necessary.

Note: The applicant is recommended to employ a qualified and experienced landscape designer to produce a landscaping scheme for the development.

Reason: To ensure that the development is adequately landscaped, in the interests of its visual amenity and that of the area in which it is set.

This Condition is imposed in accordance with Policy SG18 of the South Holland Local Plan 2006.

- 5 Before the commencement of development hereby granted, details of the proposed boundary treatment, including a schedule of materials, and details of the size and species of any hedging, shall be submitted to and approved in writing by the Local Planning Authority, and the details so approved shall be implemented in full before the development is first brought into use.

Reason: In the interests of the character and appearance of the development and the visual amenity of the area in which it is set.

This Condition is imposed in accordance with national guidance contained in Section 7 of the National Planning Policy Framework, 2012.

- 6 Before the commencement of the development hereby granted, full details of the proposed means of foul and surface water disposal to separate systems shall be submitted to and approved in writing by the Local Planning Authority and the details so approved shall be implemented in full before there are any flows into the receiving systems.

Reason: To ensure that the site is adequately drained, to avoid pollution, and to prevent increased risk of flooding.

This Condition is imposed in accordance with national guidance contained in Sections 10 and 11

of the National Planning Policy Framework, 2012.

- 7 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015, (or any Order or Statutory Instrument revoking and re-enacting that Order), none of the following developments or alterations shall be carried out.
- i) the erection of freestanding curtilage buildings or structures including car ports, garages, sheds, greenhouses, pergolas or raised decks;
 - ii) the erection of house extensions including dormer windows, conservatories, garages, car ports, porches or pergolas;
 - iii) alterations including the installation of replacement or additional windows or doors and the installation of roof windows.

Reason: To ensure that the Local Planning Authority retains control over the future extension and alteration of the development, in the interests of its architectural and visual integrity and the visual amenity and character of the area within which it is set.

This Condition is imposed in accordance with guidance set out in Sections 7 and 12 of the National Planning Policy Framework, 2012.
