I have reviewed the 'Your Environment' report ref YE4910 dated July 2018 'Phase 1: Desktop study and preliminary risk assessment report at Hollytree Farm, Hall Gate Road, Sutton St Edmund, Spalding PE12 0LN and make the following comments:
This report satisfies the requirements of part i of condition no. 11 on H19-0652-17. The report proposes a phase works to address part ii which I consider acceptable and a report should be submitted in due course.
