Application H19-0782-16
Location ASHTREE FARM 92 GUANOCKGATE ROAD SUTTON ST EDMUND
PE12 0LU
Proposal Proposed barn conversion

Name J Reith
Address Environmental Health Technician Safety and Environment

Date Submitted 16-09-16
For/Against Comments

Due to the previous agricultural use of this site I request the full contaminated land condition for this application in order to protect the end user. I note that the existing building contains asbestos containing materials which must be dealt with appropriately.
