

General Notes

Do not scale from this drawing.
This drawing is copyright and may not be altered, copied, photocopied or used for any purpose other than that for which it is issued without written permission of the author.

The General Contractor is to check all dimensions on site and report discrepancies to the architect.

All items shown on this drawing are based upon typical site conditions related to the site. No responsibility can be accepted for abnormal conditions, unless and where they are specifically indicated on the drawing.

Conditions before foundation work is undertaken.

Proposed works shall comply to be maintained by the owner for the life duration of the project.

This drawing is limited to the extent of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of providing a visual representation of the proposed works and is not to be used as a contract document. The works will not be supervised or controlled by the architect and the architect is not responsible for the design, construction, or performance of the works. The architect is not responsible for the design, construction, or performance of the works. The architect is not responsible for the design, construction, or performance of the works.

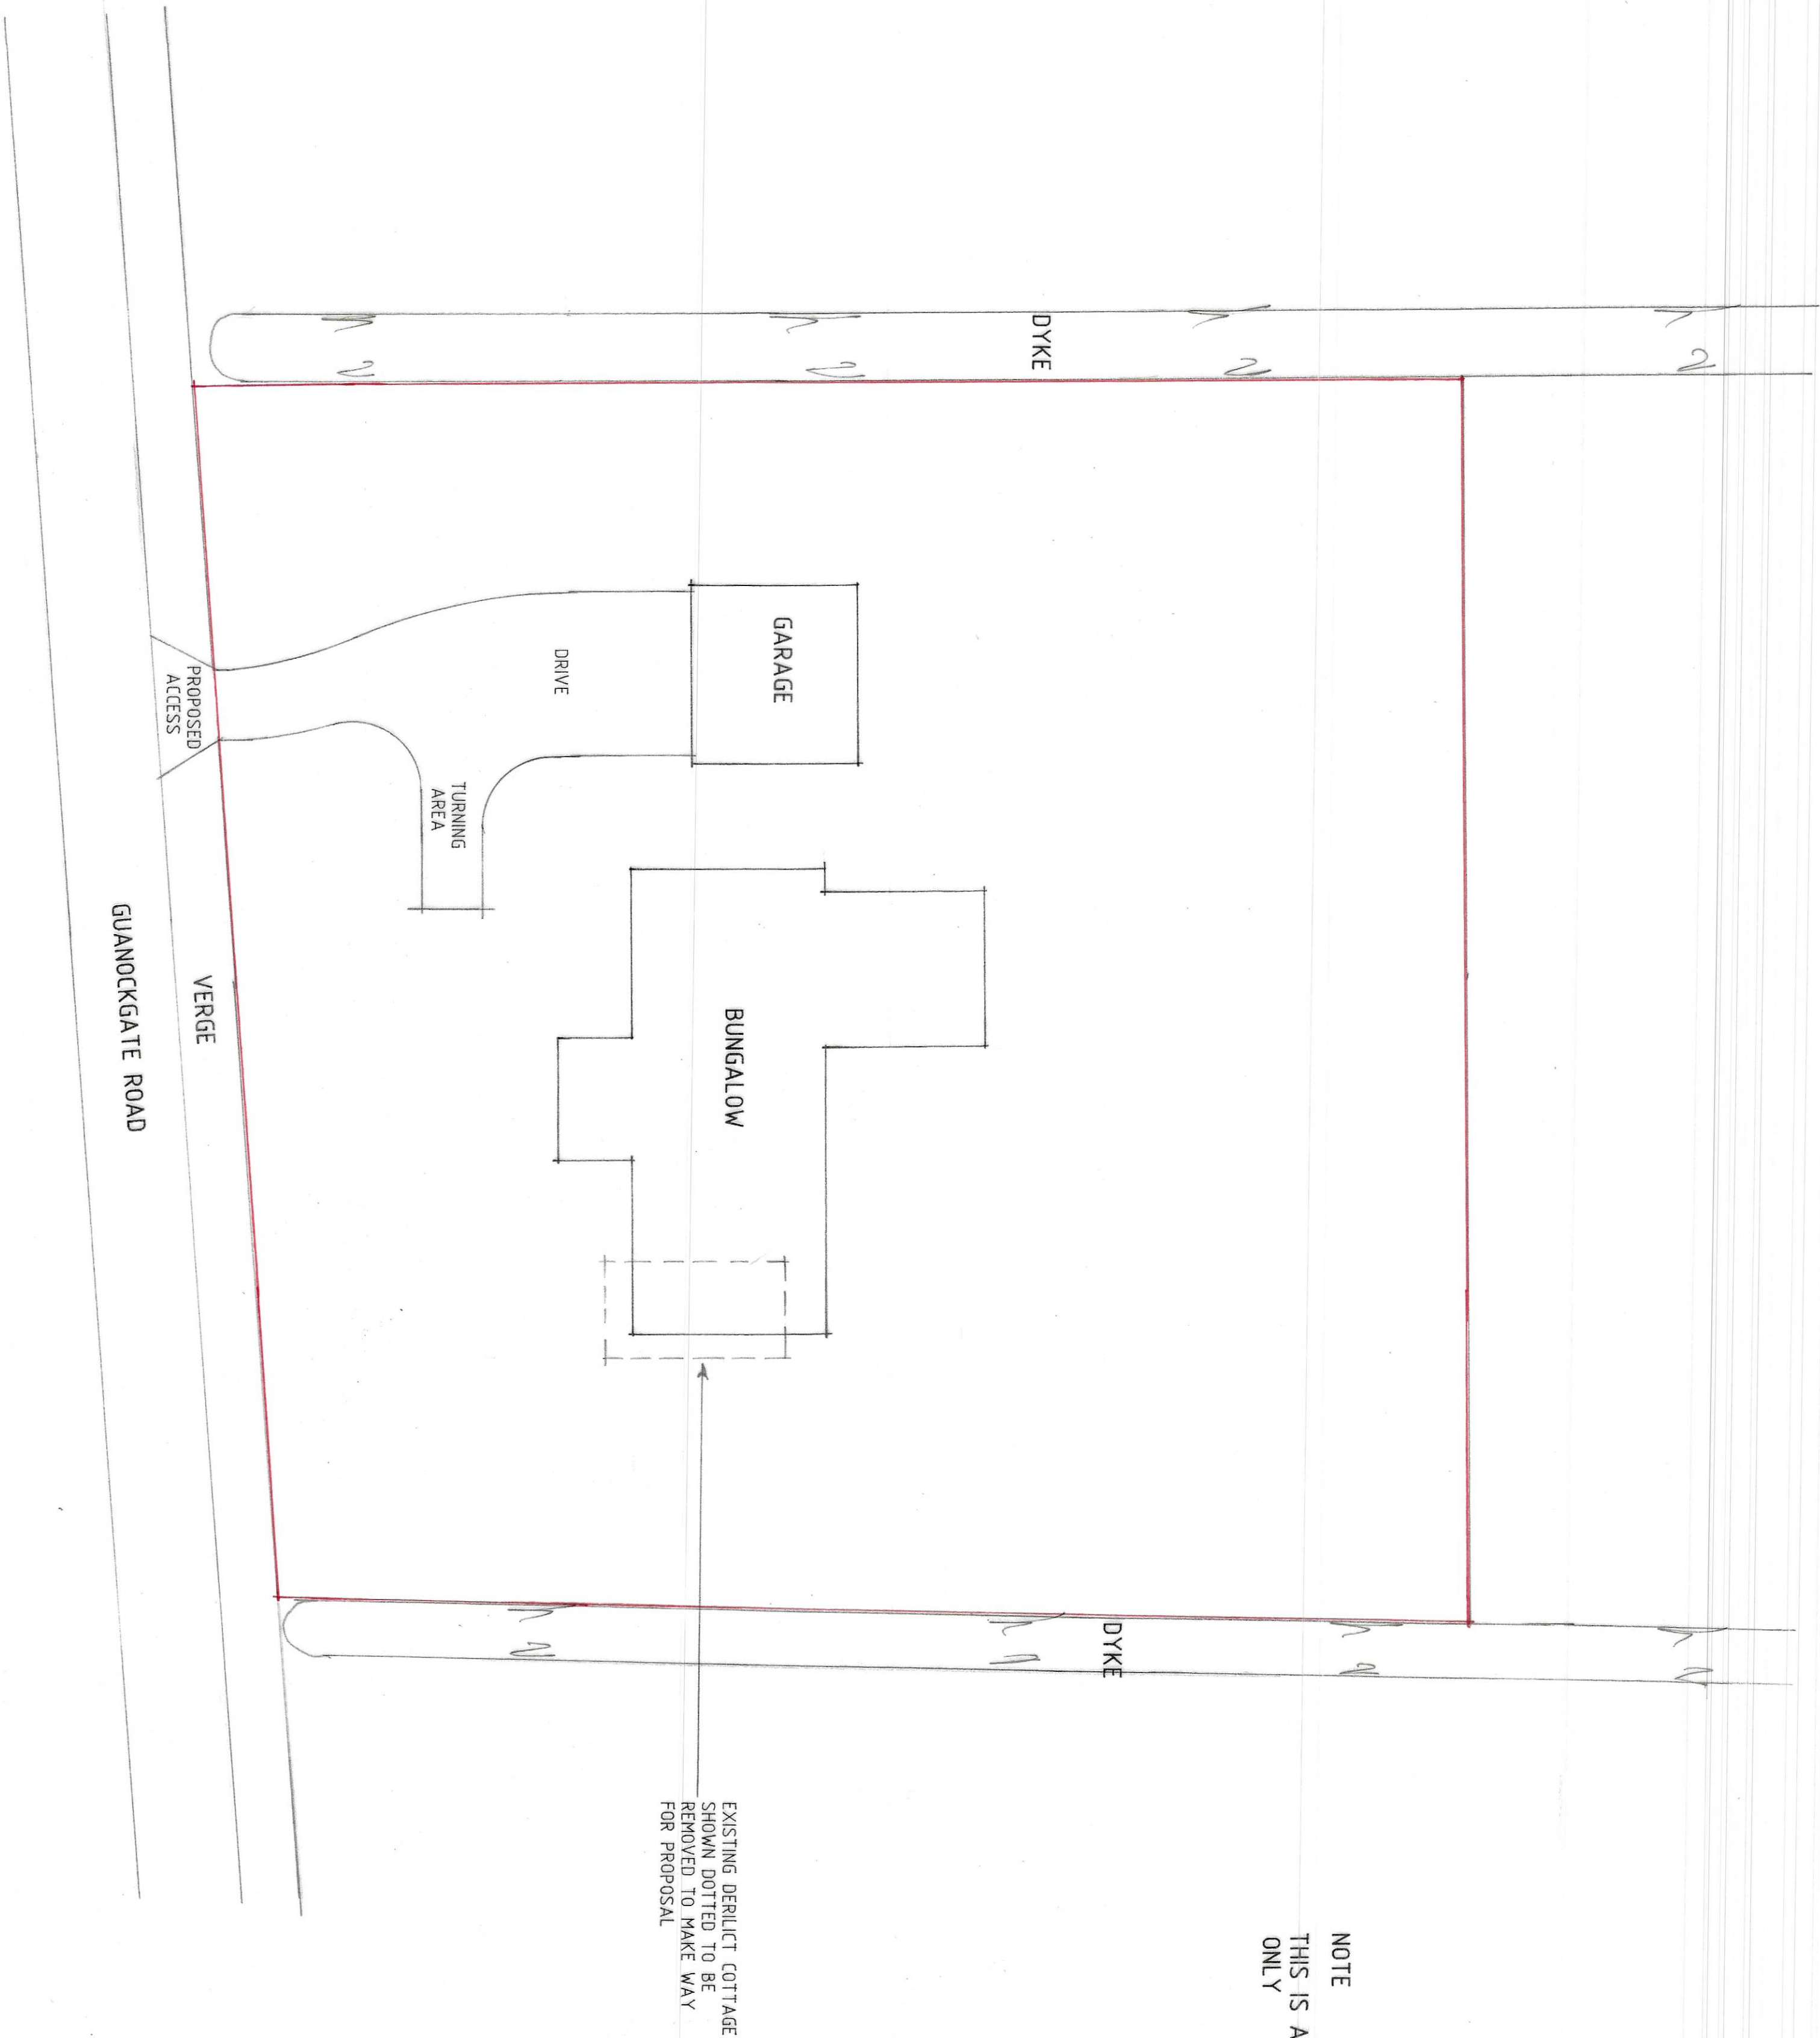

All materials to be used must meet and adhere to all applicable codes and standards to be used and installed as a new structure with foundation to appropriate British Standards Specification or BBA Certificate or European Code equivalent.

The Employer shall ensure that the selected contractor is conversant with the relevant building regulations and that the contractor is a member of the Institution of Building Engineers for Building Sites and that the contractor is a member of the Institution of Building Engineers for Building Sites and that the contractor is a member of the Institution of Building Engineers for Building Sites.

By the architect's acceptance of this drawing, the architect is deemed to have accepted the design and construction of the works and is not responsible for the design, construction, or performance of the works.

These notes refer to this drawing and all associated drawings.
