TOWN AND COUNTRY PLANNING ACT 1990

FULL

Reference: H19-1126-18 **Date of Decision:** 21st January 2019

Applicant: Mr & Mrs T Simmons
The Paddocks
Hospital Drove
Little Sutton
Spalding Lincs
PE12 9EL

Location: Eye Farm Broadgate Sutton St Edmund Spalding

Description: Replacement dwelling - re-submission of H19-0644-18

South Holland District Council hereby give notice that this application has been GRANTED (or equivalent) subject to the following condition(s):

1 The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2 The development hereby permitted shall be carried out in accordance with the following approved plans:
3251-17-06;
3251-17-07A;
Flood Risk Assessment by Geoff Beel Consultancy (ref. GCB/Cooper);
Protected Species Survey by Scarborough Nixon Associates Ltd dated October 2013.

Reason: For the avoidance of doubt and in the interests of proper planning.

3 Notwithstanding the provisions of the Town and Country Planning (General Permitted

Development) Order 2015, (or any Order or Statutory Instrument revoking and re-enacting that Order), none of the following developments or alterations shall be carried out other than approved by this permission.

i) the erection of freestanding curtilage buildings or structures including car ports, garages, sheds, greenhouses, pergolas or raised decks;
ii) the erection of house extensions including dormer windows, conservatories, garages, car ports, porches or pergolas;
iii) alterations including the installation of replacement or additional windows or doors and the installation of roof windows.

Reason: To ensure that the Local Planning Authority retains control over the future extension and alteration of the development, in the interests of its architectural and visual integrity, levels of residential amenity and the visual amenity and character of the area within which it is set.
This Condition is imposed in accordance with Policies SG14 and SG17 of the South Holland Local Plan, 2006.

4 Before the commencement of the development hereby permitted beyond oversite a schedule of the material(s) to be used for the external walls shall be submitted to and approved in writing by the Local Planning Authority. The development shall be constructed in accordance with the materials so approved.

Note: The external material should be a red stock brick.

Reason: To ensure that the Local Planning Authority retains control over the external materials of construction of the development in the interests of the character and appearance of the development and the visual amenity of the area in which it is set.
This Condition is imposed in accordance with Policy HS17 of the South Holland Local Plan, 2006.

5 The external walls shall be constructed in English Garden Wall bond with a ratio no greater than 1:3 with a buff coloured mortar (white Portland cement or similar with sharp yellow/orange sand) with flush, 'bagged' finish to reveal the aggregate in the mortar.

Reason: To ensure that the Local Planning Authority retains control over the external materials of construction of the development in the interests of the character and appearance of the development and the visual amenity of the area in which it is set.
This Condition is imposed in accordance with Policy HS17 of the South Holland Local Plan, 2006.

6 Details of the window frames to be utilised in the development hereby permitted shall be submitted to and approved in writing by the Local Planning Authority prior to their installation. Such details shall indicate, at a scale of not less than 1:10, the longitudinal and cross-sectional detailing (including reveals), cill and lintol detailing, and means of opening. The window frames shall be installed in accordance with the approved details and thereafter so maintained.

Reason: To ensure that the Local Planning Authority retains control over these details of the development in the interests of the character and appearance of the development and

the visual amenity of the area in which it is set.
This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan, 2006.

7 Notwithstanding the details accompanying the application all new window frames, glazing bars and external door frames shall be of timber construction, painted white and thereafter so maintained, unless agreed otherwise in writing by the Local Planning Authority.

Reason: In the interests of the architectural composition and appearance of the development and the visual amenity of the area in which it is set.
This Condition is imposed in accordance with Policy HS17 of the South Holland Local Plan, 2006.

8 Details of the design of all external doors and door frames to be utilised in the development hereby permitted shall be submitted to and approved in writing by the Local Planning Authority prior to their installation. Such details shall indicate, at a scale of not less than 1:10, the longitudinal and cross-sectional detailing (including reveals), threshold and lintol detailing, and means of opening. Notwithstanding the details accompanying the application the external doors and door frames shall be constructed in timber and installed in accordance with the approved details and thereafter so maintained.

Reason: To ensure that the Local Planning Authority retains control over these details of the development in the interests of the character and appearance of the development and the visual amenity of the area in which it is set.
This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan, 2006.

9 The rainwater goods utilised in the development hereby permitted shall be coloured black and thereafter so maintained.

Reason: In the interests of the appearance of the development and the visual amenity of the area in which it is set.
This Condition is imposed in accordance with Policy HS17 of the South Holland Local Plan, 2006.

10 The guttering to the development hereby permitted shall be fixed to the external walls by means of gutter spikes/rise and fall brackets and no fascia boarding shall be used.

Reason: In the interests of the architectural composition and appearance of the development and the visual amenity of the area in which it is set.
This Condition is imposed in accordance with Policy HS17 of the South Holland Local Plan, 2006.

11 No external boxes for gas and electricity supplies shall be installed on the front elevation.

Reason: To ensure that the Local Planning Authority retains control over these details of the development in the interests of the character and appearance of the development and the visual amenity of the area in which it is set.
This Condition is imposed in accordance with Policy HS17 of the South Holland Local Plan, 2006.

12 The development hereby permitted shall be carried out in accordance with the approved Flood Risk Assessment (ref. GCB/Cooper) and in particular the following mitigation measures:
- Finished floor levels shall be set at 2.00m aOD;
- Flood resilient construction shall be incorporated within the development up to 300mm above finished floor level in accordance with DCLG document "Improving Flood Performance of New Buildings - Flood Resilient Construction", 2007;
- Safe refuge and all sleeping accommodation shall be at first floor level..

Note: Future occupants are advised to sign up to the Environment Agency's free Floodline Warnings Direct Service.

Reason: To ensure that the development does not increase the risk of flooding or be at risk of flooding.
This Condition is imposed in accordance with national guidance contained in Section 14 of the National Planning Policy Framework, 2018.

13 The development hereby permitted shall be carried out in accordance with the mitigation measures outlined in the approved Protected Species Survey (Scarborough Nixon Associates Ltd, dated October 2013).

Reason: In the interest of nature conservation.
This Condition is imposed in accordance with advice within Section 15 of the National Planning Policy Framework, 2018.

14 None of the existing trees and hedging shown to be retained on the site shall be cut down, up-rooted, destroyed, topped or lopped unless first agreed in writing by the Local Planning Authority. If any tree which is to be retained dies or is to be removed it shall be replaced within six months thereafter with a tree of such size and species which shall be first be agreed in writing by the Local Planning Authority.

Reason: To ensure the protection of existing trees on the site, in the interests of the visual amenity of the locality.
This Condition is imposed in accordance with Policy SG18 of the South Holland Local Plan, 2006 and national guidance contained in Section 15 of the National Planning Policy Framework, 2018.

15 The development hereby permitted shall not be commenced until a scheme to deal with any contamination of land or pollution of controlled waters has been submitted to and approved in writing by the Local Planning Authority (LPA) and until the measures approved in that scheme have been implemented. The scheme shall include all of the following measures:

i) a desk-top study carried out to identify and evaluate all potential sources of contamination and the impacts on land and/or controlled waters, relevant to the site. The desk-top study shall establish a 'conceptual site model' and identify all plausible pollutant linkages. Furthermore, the assessment shall set objectives for intrusive site investigation works/Quantitative Risk Assessment (or state if none required). Two full copies of the desk- top study and a non-technical summary shall be submitted to the LPA without delay upon completion.

ii) if identified as being required following the completion of the desk-top study, a site investigation shall be carried out to fully and effectively characterise the nature and extent of any land contamination and/or pollution of controlled waters. It shall specifically include a risk assessment that adopts the Source-Pathway-Receptor principle, in order that any potential risks are adequately assessed taking into account the sites existing status and proposed new use. Two full copies of the site investigation and findings shall be forwarded to the LPA without delay upon completion.
iii) thereafter, a written method statement detailing the remediation requirements for land contamination and/or pollution of controlled waters affecting the site shall be submitted to and approved in writing by the LPA, and all requirements shall be implemented and completed to the satisfaction of the LPA. No deviation shall be made from this scheme. If during redevelopment contamination not previously considered is identified, then the LPA shall be notified immediately and no further work shall be carried out until a method statement detailing a scheme for dealing with the suspect contamination has been submitted to and agreed in writing by the LPA.
iv) two full copies of a full closure report shall be submitted to and approved in writing by the LPA. The report shall provide verification that the required works regarding contamination have been carried out in accordance with the approved Method Statement(s). Post-remediation sampling and monitoring results shall be included in the closure report to demonstrate that the required remediation has been fully met.

Note
The applicant is advised that the phased risk assessment required by the Contaminated Land Scheme Condition should be carried out in accordance with the procedural guidance of the Environmental Protection Act 1990 Part 11A.
The applicant's attention is also drawn to the document entitled "Developing Land Within Lincolnshire - A guide to submitting planning applications to develop land that may be contaminated", which can be obtained through the Local Environmental Health Department.

Reason: To assess whether the site is polluted and to address any pollution to ensure a satisfactory development. This issue is integral to the development and therefore full details need to be finalised prior to the commencement of works.
This Condition is imposed in accordance with Policy SG13 of the South Holland Local Plan, 2006.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise, and by identifying matters of concern within the application and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal.

This decision notice, the relevant accompanying report and the determined plans can be viewed online at http://planning.sholland.gov.uk/OcellaWeb/planningSearch

The applicant is reminded that it is an offence under the wildlife and Countryside Act, 1981 (as amended) to kill, injure, or take (handle) any protected species occupying a place of shelter or protection and also to take, damage or destroy the nest of any wild bird while that nest is in use or being built. If evidence of bats is found before or whilst the work is carried out you are advised to contact Natural England at their Lincoln office (telephone 03000 603900).

Phil Norman
Planning and Building Control Manager
South Holland District Council

BUILDING REGULATIONS:
This decision refers only to planning permission as granted under the Town and Country Planning Act 1990. The works that you are proposing may also require Building Regulations and this planning permission does not give authority under Building Regulations to commence work. Please contact the Building Control section for further information on 01775 764557 or bcadmin@sholland.gov.uk

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

All appeals must be made using an Appeal Form which you can get from The Planning Inspectorate at Temple Quay House, 2 The Square, Bristol, BS1 6PN (tel: 0303 444 5000) or you can submit your appeal online at:

http://www.planningportal.gov.uk/planning/appeals/online/makeanappeal

The Secretary of State can allow a longer period for giving notice of an appeal but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the

provisions of the development order and to any directions given under the order. In practice the Secretary of State does not refuse to consider appeals solely because the Local Planning Authroity based its decision on a direction given by him.

For detailed information on appeals, appeal types and guidance on the appeals process please visit:

http://www.planningportal.gov.uk/planning/appeals/planningappeals

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
