THIS DRG. TO BE READ IN CONJUNCTION WITH
SD22-014/1, SD22-014/TI

General Note

This drawing is copyright and may not be altered, copied, reproduced or used for any purpose without the written permission of the Architect.

The General Contractor is to check all dimensions on site and report discrepancies to the Architect.

All details shown on this drawing are based upon typical site conditions related to the site. The Architect is not responsible for any errors or omissions in the drawings or for any consequences arising from the use of the drawings without the Architect's consent.

Please note this drawing is not a contract document.

Proposed works shall be carried out in accordance with the following:

- 1. The drawing is limited to the extent of information contained and does not include any other information.
- 2. The drawing is not to be used for any other purpose without the written permission of the Architect.
- 3. The drawing is not to be used for any other purpose without the written permission of the Architect.
- 4. The drawing is not to be used for any other purpose without the written permission of the Architect.
- 5. The drawing is not to be used for any other purpose without the written permission of the Architect.
- 6. The drawing is not to be used for any other purpose without the written permission of the Architect.
- 7. The drawing is not to be used for any other purpose without the written permission of the Architect.
- 8. The drawing is not to be used for any other purpose without the written permission of the Architect.
- 9. The drawing is not to be used for any other purpose without the written permission of the Architect.
- 10. The drawing is not to be used for any other purpose without the written permission of the Architect.

These notes relate to this drawing and all associated drawings.

It is the responsibility of the client to ensure that the drawing is used in accordance with the following:

- 1. The drawing is not to be used for any other purpose without the written permission of the Architect.
- 2. The drawing is not to be used for any other purpose without the written permission of the Architect.
- 3. The drawing is not to be used for any other purpose without the written permission of the Architect.
- 4. The drawing is not to be used for any other purpose without the written permission of the Architect.
- 5. The drawing is not to be used for any other purpose without the written permission of the Architect.
- 6. The drawing is not to be used for any other purpose without the written permission of the Architect.
- 7. The drawing is not to be used for any other purpose without the written permission of the Architect.
- 8. The drawing is not to be used for any other purpose without the written permission of the Architect.
- 9. The drawing is not to be used for any other purpose without the written permission of the Architect.
- 10. The drawing is not to be used for any other purpose without the written permission of the Architect.
