South Holland District Council hereby give notice that OUTLINE PLANNING PERMISSION HAS BEEN GRANTED for the development in acc with the application submitted, subject to the following condition(s):

1 Application for approval of reserved matters must be made not later than three years beginning with the date of this permission, and the development must be begun not later than whichever is the later of the following dates:
(a) the expiration of five years from the date of this permission,
(b) the expiration of two years from the final approval of reserved matters or in the case of approval on different dates, the final approval of the last such matter to be approved.

Reason: As required by Section 92 of the Town and Country Planning Act 1990.

2 The following matters are reserved for subsequent approval by the Local Planning Authority, and no development to which they relate shall be carried out until these matters have been approved, viz:
(1) Detailed drawings to a scale of not less than 1/100 showing the siting, design and external appearance of the buildings, including particulars of the materials to be used for external walls and roofs;
(2) The siting and design of any vehicular access to a road;
(3) Landscaping of the site, including details of positions, heights on planting and species of trees and shrubs.

period of two years beginning with the date on which development of the land is commenced. The trees, shrubs or bushes shall be adequately maintained by the owner(s) of the land on which they are situated for a period of ten years beginning with the date of completion of the scheme, and all losses shall be made good during that period.

Reason: In the interests of visual amenity and to ensure that the approved scheme is implemented satisfactorily.

4 Before the access is commenced to be used, provision shall be made within the site to the satisfaction of the Local Planning Authority for a motor vehicle to turn to enable it to enter and leave the highway in forward gear.

Reason: To enable vehicles to enter and leave the highway in forward gear in the interests of road safety.

5 The proposed vehicular accesses shall be paired in the centre of the site's frontage.

Reason: To reduce to a minimum the number of individual access points to the class B Road, in the interests of road safety.

6 The disposal of foul water shall be by way of a package treatment plant or a Bio-Disc system. Full details of whichever system is preferred shall be submitted to and approved in writing by the Local Planning Authority prior to the commencement of the development.

Reason: Policy E5 of the South Holland District Local Plan prevents the use of septic tanks unless applicants can show they will work satisfactorily in the long term. No such evidence has been submitted.

Your attention is drawn to the fact that this Authority has adopted as policy the Lincolnshire Design Guide for Residential Areas and therefore it is the expectation of this Authority that the development should be of an approriately high standard.
