Dear Sir/Madam,

TOWN AND COUNTRY PLANNING ACT 1990

PLANNING APPLICATION SUBMISSION: REQUEST FOR ADDITIONAL INFORMATION OR FEE

Reference Number: H20-0097-11

Proposal: Erection of five bed house and attached double garage (re-submission of H20-0929-10)

Site Location: Adjoining Askdale Broadgate Road Sutton St James Spalding Lincs

Applicant: Mr T Griffith

I am writing with reference to your recently submitted planning application and advise you that the application cannot be registered as it is currently considered to be invalid.

We will require the following before the application can be progressed:

- The elevational and layout drawings differ from the submitted block plan. Is the block plan incorrect or are all the drawings 'handed'?
- In addition, some of the drawings ('Elevation 4' in particular) appear to show the roof, balcony areas, etc, incorrectly. The dining room also appears to be single-storey only and not two-storey as shown on 'Elevation 4'.

Please submit revised drawings that address the above.

Please return one copy of this letter with your reply to enable us to deal with the application without further delay. If we do not hear from you within the next 21 days it will be assumed that you no longer wish to continue with the application and it will be returned to you (one copy of the application will be kept for our records). Any fees already received will be reimbursed.

If you have any queries regarding the above please contact David Gedney on 01775 761161, quoting the above reference number.

Yours faithfully

David Gedney
