Date: AUG '05	Drawn: GRM

Scales
AS INDICATED.

DO NOT SCALE FROM THIS DRAWING
This drawing is copyright and may not be altered, used, photocopied or used for any other purposes other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing indicating foundations are queried upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish correctly site conditions before foundation work is undertaken. This drawing is limited to the amount of information contained and should not be relied upon for the quantities of any works. It is solely for the purposes of obtaining Planning / Building Regulation approvals. This drawing should not be used as a contract documented work. This work is not to be supervised or inspected on site by G R Merchant or any representative thereof. It is the client or their appointed agents responsibility to employ competent persons, subcontractors of materials, adherence to specification, variations to construction etc.
All materials to be new unless otherwise stated and all components and materials etc. to be used fixed and installed etc. to strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specifications or BBA certificate or European code approved. The Employer / Client shall ensure that the contractor is conversant with and adheres all relevant regulations to conform compliance with Health and Safety Legislation for Building sites and Work places. The Employer / Client is advised that should the works come to contain more than 4 contractors Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included.
