Dear Sir/Madam

TOWN AND COUNTRY PLANNING ACT 1990
NOTICE OF ACCEPTANCE OF AMENDMENT

The amended details submitted in respect of the above proposal have now been considered, and I am able to inform you that the changes are able to be incorporated into application, which will now be considered only in its amended form. You are reminded that revision may also be needed to any submission made under the Building Regulations.

In view of the need to repeat certain procedures as a result of the amendment, the terminal date for the Authority to determine the application will now be extended to 10-DEC-98, based on the date of receipt of the amendment, and your rights of appeal remain as explained on the original acknowledgement. It will not necessarily take that length of time to reach a decision of course.

If you do not agree to this extension of time and wish instead to have your application dealt with more quickly but on the basis of the original submission, please let me know in writing within the next 5 days.

Yours faithfully

Director of Housing and Planning Services

Amendment Submitted: Increase in size of dwelling
dwg no. 771998/1B

Dear Sir/Madam

09-OCT-98

TOWN AND COUNTRY PLANNING ACT 1990
AMENDMENT TO PROPOSED DEVELOPMENT

Having considered the above details, I have to advise you that the Authority is not able to consider the revised proposal as an amendment because the changes are too significant or certain details have changed so that amending the application is not appropriate. A fresh application for planning permission should therefore be submitted if you wish to pursue the revised scheme.

This does not imply that permission will or will not be forthcoming in respect of such a revised application, and you are reminded that approval under the Building Regulations may also be required.
You are also reminded that the resubmitted planning application may require a further fee, depending on the extent of the changes and when it is submitted. Further advice can be obtained from this office.

Reason for rejection of amendment: The proposed amendment constitutes a major change in the size and appearance of the dwelling.

Yours faithfully,

Director of Housing and Planning Services
