Dear Bob,

I can confirm that technically the conditions should NOT have been imposed in the first place but we received notification quite late on from LCC and just left them running – in hindsight they should have been removed/deleted.

There is nothing to 'Discharge'.

Therefore I can confirm, on behalf of South Holland District Council, that the conditions – 12, 13 and 14 of H20-0764-14 are formally dispensed with and no enforcement or other consequence will arise from this matter.

I hope this is useful,

Kind Regards,

Mark
