Dear Sir

***RE: PROPOSED DWELLING ADJ 28 JARVIS GATE, SUTTON ST JAMES  
FOR MR D SULLIVAN***

Further to your email and the Lincolnshire County Council attachment, I have checked with my client and the boundary is, in fact, on the inside of the dyke – see attached Land Registry Plan.

I therefore attach a revised coloured Site Plan and OS map. As regards the relationship with the proposed bungalow and the dyke it is intended for the foundations close to the dyke to be taken down to below the invert of the dyke.

I trust this answers your questions.

Yours faithfully

Brian Gilham
