South Holland District Council hereby give notice that PERMISSION HAS BEEN REFUSED for the development for the following reason(s):

1 The site is outside the confines of a settlement in an area of open countryside where new residential development is normally only permitted where there is an essential need to house farm workers near to their place of work. In the opinion of the Local Planning Authority, the circumstances circumstances of this case are not now sufficient to justify permission, which would be contrary to Policy 7a of the approved Lincolnshire Structure Plan. This policy is in accordance with National Planning Policies as set out in Planning Policy Guidance Note 7, 1992 (The Countryside and the Rural Economy), and is aimed at the conservation of agricultural land, the the preservation of the character of the countryside and the economic provision of services. In the opinion of the Local Planning Authority the granting of permission for the development as proposed would be harmful to the purposes of this policy, because as well as its individual effect on these issues, it will encourage further similar proposals which would be difficult to resist.
