Scales
 AS INDICATED.

DO NOT SCALE FROM THIS DRAWING
 This drawing is copyright and may not be altered, copied, photographed or used for any other purpose
 other than that for which it is issued. The General Contractor is to check all dimensions on site and
 report any discrepancies to the Architect. All details shown on this drawing including foundations and
 basins upon special site conditions related to the area. No responsibility can be accepted for structural
 conditions which may be discovered during construction unless reported to the Architect so that
 design amendments may be considered. Site and surveys are recommended in respect of foundations
 to establish specific site conditions before foundation work is undertaken. This drawing is limited to the
 amount of information contained and does not represent to contain a full specification of the works. It is
 issued for the purpose of obtaining Planning / Building Regulations approval. This drawing must not be
 used as a contract document alone. The works will not be supervised or inspected on site by G.R.M.
 Merchant or any representative thereof. It is the client or their appointed agents responsibility to
 secure workmanship, substitution of materials, adherence to specifications, materials to contract and all
 materials to be used unless otherwise stated and all components and materials etc. to be used fixed
 and installed etc. in strict accordance with manufacturers' instructions and relevant codes of practice.
 Materials and workmanship to be approved by the Architect and approved specification or other certificate of compliance
 with the Building / Code and ensure that the material contractor is conversant with
 and comply with all instructions necessary to ensure compliance with health and safety legislation for
 Building sites and Work classes. The Employer / Client to ensure that the works shall be carried out
 in conformity with the Construction Design and Management Regulations or Independent Planning
 Regulations will be required. The works and completion of all that is shown on the drawing and details.
 Works that may not specifically be shown but may be reasonably inferred as necessary to carry out the
 works and be deemed to be included. It is the client / land owners responsibility to be aware of the
 Party Wall etc. Act 1996 when building in close proximity to adjoining neighbours foundations.
