Application H21-0028-18
Location St Pauls Front Road Foul Anchor PE13 5RF
Proposal Use of site to keep 12 dogs for domestic purposes (retrospective)

Name Steve Branson
Address Environmental Health Technician Safety and Environment

Date Submitted 22-01-18
For/Against Comments

I have previously discussed the proposal with the applicant and understand that the dogs are kept in the house for a majority of the time with no external kennelling.

With this in mind I have no objection to the application.
