Dear Diane,

Ref: Proposed Tree Works - Roman Lodge PE13 5SB

Thank you so much for taking the time to visit and provide such a comprehensive overview of the implications of living in the Tydd St Mary Conservation Area along with the responsibilities associated with having trees with TPO's .

Having digested all the information provided and, hopefully in line with our discussions on the three specific trees that are either in the Conservation Area or have a TPO, I have completed the form you kindly provided. It, along with a copy of the quote for the tree works and a map showing tree locations, is attached.

I trust the above will be sufficient to obtain the necessary permissions for works to proceed and look forward to hearing from you in the near future. If in the meantime you have any questions, please do not hesitate to contact me [REDACTED]

Kind Regards [REDACTED]

Steve
