I have reviewed the Adeptus Consulting report 'Geo-environmental Phase 1 Desk Study The Forge, Common Way, Tydd St Mary, PE13 5QH' report no. A190112LC-R01 dated January 2018. The report is in draft format, however I agree with the findings that some site investigation is required at this location. Upon receipt of the final phase 1 report (ie not draft) part i of condition 16 of permission H21-0418-18 can be discharged, however parts ii-iv remain outstanding.

I look forward to receipt of the site investigation report in due course.
